

8 - 11 JUNE 2015

Technology, Innovation and Management for Sustainable Growth

THE WESTIN CAPE TOWN – SOUTH AFRICA

**You are invited to participate in the 24th Annual IAMOT Conference
that will be held at The Westin, Cape Town, South Africa.**

Cape Town was officially founded in 1652 when Jan van Riebeeck of the Dutch East India Company based in The Netherlands arrived to set up a halfway point for ships travelling to the East, and is the only large city that is almost situated on the point where the Indian and Atlantic oceans meet.

Cape Town is not only the most popular international tourist destination in South Africa, but Africa as a whole. Cape Town is also the economic hub of the Western

Cape Province, South Africa's second main economic centre and Africa's third main economic hub city.

The primary focus of the conference is to bring together researchers, scholars and industry participants from all over the world to exchange and share their experiences and latest research results in all aspects of technology, engineering and project management as well as industrial and systems engineering.

Call for Papers and Participation

Papers and Presentations are invited on the following topics:

Asset and maintenance management
Economic and social impact of technology
Education & e-learning
